

The Children's  
and Young  
Peoples ADHD  
and ASD  
Service

Melanie Pearson and  
Charlotte Lockyer  
Advance Nurse  
Practitioners

---

# What do we do?

- We offer assessments for secondary school aged children in the south of the county.
- Assessments for all school aged children in the north of the county. (pre-schools via Community Paediatricians)
- Training/Consultation and support to schools and other agencies working with children and young with neuro developmental concerns ADHD or ASD.
- ADHD medication initiation and management

# POST DIAGNOSIS PROGRAMME

- Workshops for parents and carers
- Workshops for primary school aged and secondary school aged children
- Positive behaviour Group for parents (any age)
- Incredible years (primary school aged)
- Coming soon: mindfulness and social eyes

# How to refer

- All referrals for the county are made via the RMC (Referral Management Centre).
- Suggestions of things to included and evidence to make these successful!
- See Aide Memoire
