

Dear Parents and Carers,

I am writing to introduce myself as the new Chair of Governors at Fairfield's School.

My name is Bev Wright and I am semi-retired although with 12 grandchildren, I am kept busy!

I have a particular interest in Special Education, having been a teacher and Headteacher in another Special School in the county. I have been at Fairfield's since 2018 as a Co-opted Governor and have a role on the Excellence and Enjoyment committee as well as Full Governing Body meetings. In addition, I have held meetings with school staff and supported interviews.

What do our Governors do?

- We work with the Headteacher to promote a high standard of education and hold them to account for the performance of pupils and staff.
- We challenge the Headteacher about the use of funding and resources.
- We work with the headteacher to set a clear vision and direction for school.

In addition, we set up panels as necessary to hear appeals, support interviews and so on.

I can assure you that I am committed to supporting the work of our wonderful school and I look forward to meeting many of you when circumstances allow.
