

Primary School PE and Sport Grant 2019 – 2020

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding provided jointly by the Departments for Education, Health and Culture, Media and Sport is allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. The school has received Department for Education PE and Sports Grant Funding in the amount of £16,990 for the 2019-2020 academic year. Physical Development and Physical Education are fundamental parts of our curriculum offer. The role of the funding is to support initiatives beyond our core curricular offer.

We have utilised the funding to contribute to the following specific areas:

- ✓ Extending sporting opportunities through festivals and competition
- ✓ Specialist coaching related to our complexity of need
- ✓ Staff development and training
- ✓ Opportunities for physical development further than what is already offered by the school

Number of pupils and Primary School PE and Sports Grant		
Record of PPG spending:		
Provision and rationale	Cost (approx.)	Objectives
Warm Water Swim We need to maintain our extended swimming team as our pupils benefit from swimming in our warm water pool. Warm water swim sessions are particularly beneficial for pupils with physical difficulties. <i>NB: This is in addition to national swimming requirements.</i>	£7,500 Note: school top up needed	<ul style="list-style-type: none"> • Identified pupils to have weekly warm water sessions, remaining pupils to have block swimming sessions • All pupils to make progress against their individual swimming targets • To provide opportunities for physical activity especially for pupils with limited physical movement
Horse Riding (RDA):	£1,100	<ul style="list-style-type: none"> • To provide our pupils with a broader experience of physical activity
