How happy my child is there

Fantastic way of learning

It's a very warm and welcoming school

Regular updates from class teacher and any concerns are responded to quickly.

The way they treat the children and the way they educate them

The best thing about Fairfield School for me is that the School is very welcoming.. and also the way the teachers interact with the pupils and parents

Behaviour management is good

When my daughter came to Fairfields School she was not walking and she is now, so they have helped her a lot

The school caters for all of the children's needs

Is there anything in particular that you'd change about the school? /What suggestions do you have that would help us improve Fairfield's further?

- Just things that can help us at home and what kind of things he does at school to help us help him and you
- More help with at home learning
- Protect the children better from other children that lash out.
- Keep them until they leave school so we don't have to worry about another school comparing to you
- Keep them until they finish school completely. We don't want to leave!
- More consistent communication between home and class. Giving a more frequent update on class topics and activities and general feedback about Individual daily experience.
- More info on what happens in lessons and what work is completed
- More photo updates so we can see what they have been doing
- Would be nice to have things happening in school to support parents during the holidays.
- Continued staggered finish after pandemic
- Introduction of a class newsletter each term
- Swimming Pool after school option for parents and students
- Play and stay
- More information regarding any staff changes and what's going on in class
- Creating a regular parent teacher dialogue process to ensure and acknowledge exchange enables parents and teachers to share how your child is feeling or what has transpired during the day.
- Keep the staggered starts and finish
- I have missed the stay and plays . Hopefully in September we will be able to do them again .

In what ways would you like to see the school develop over the next three to five years?

- I would like to have stay and play when safe to do so
- Coffee Morning when safe to do so
- More info sent home
- Keep them for even longer (Until 16)
- Make the school above to keep the children until they finish school completely
- I would love to see more accessible equipment and activities outside for wheelchair users and less physically able children
- Going forward the same way as it is now
- Expand into Secondary School
- Keep being you
- To include other years above Year 6.
- Better understanding of the EHCP process
- Offer secondary education!
- I think that there should be more than one Annual Meeting with the parents
- Just to grow with the children
- Not to let politics etc get in the way of how you all are with the parents and children
- Better parking or drop off bays for parents. Electronic communication app for parents and teachers. More use of sensory room and swimming pool.
- The school is perfect as it is.
- Bigger than it is now to be able to accommodate more children
- More accessible equipment outside for those with limited or no mobility
- I'm over all happy with and have no ideas of improvement
- To have a secondary school
- Keep being amazing!
- I will like the school to extend to secondary school.
- Just to grow as the students do
- Yellow aware lines on the road for entrance and exit
- I would like you to build a highschool side so Theo never has to leave
- Quite happy as is
