

Fairfields Newsletter

Wednesday 16th December

Training Day

Just to remind you school finishes on Friday 18th December and returns for the children on Tuesday 5th January.

COVID

If your child has covid symptoms on Saturday 19th or Sunday 20th December and requires a COVID test please email me on head@fairfields.northants-ecl.gov.uk. Please also let me know the results of the test as soon as you get them. As a school we have to work with the NHS Test and Trace programme until 24th December.

Christmas cards and presents

Just a reminder, please do not send in Christmas cards and presents for staff or children. If you would like to there is still time to send in a donation for Unicef to support us in buying a school in a box for children in crisis. Please send your donation to school in an envelope.

Home Learning

Hopefully you will have been able to access the Learning at Home resources on our website. If you haven't please don't worry, they will continue to be available during the Christmas holidays.

On behalf of everyone at Fairfields I'd like to thank you for your ongoing support during the last few difficult months. The strong partnership between home and school has ensured that we have been able to work together to keep everyone safe. I would like to wish you all a lovely Christmas and a Happy New Year. We look forward to welcoming the children back in January.
