

The little raindrop

Once upon a time   a little   raindrop   fell   from

the   sky.

The little raindrop landed on something

colourful

This block contains a sequence of icons and text. The first row consists of six items: a black triangle, a white square with a small red square to its right, a blue raindrop, a blue square with a white airplane and a black arrow pointing left, a white square with a red circle on top, and a grey house with a black arrow pointing down. Below these icons is the text 'The little raindrop landed on something'. The second row features a rainbow icon followed by the text 'colourful'.

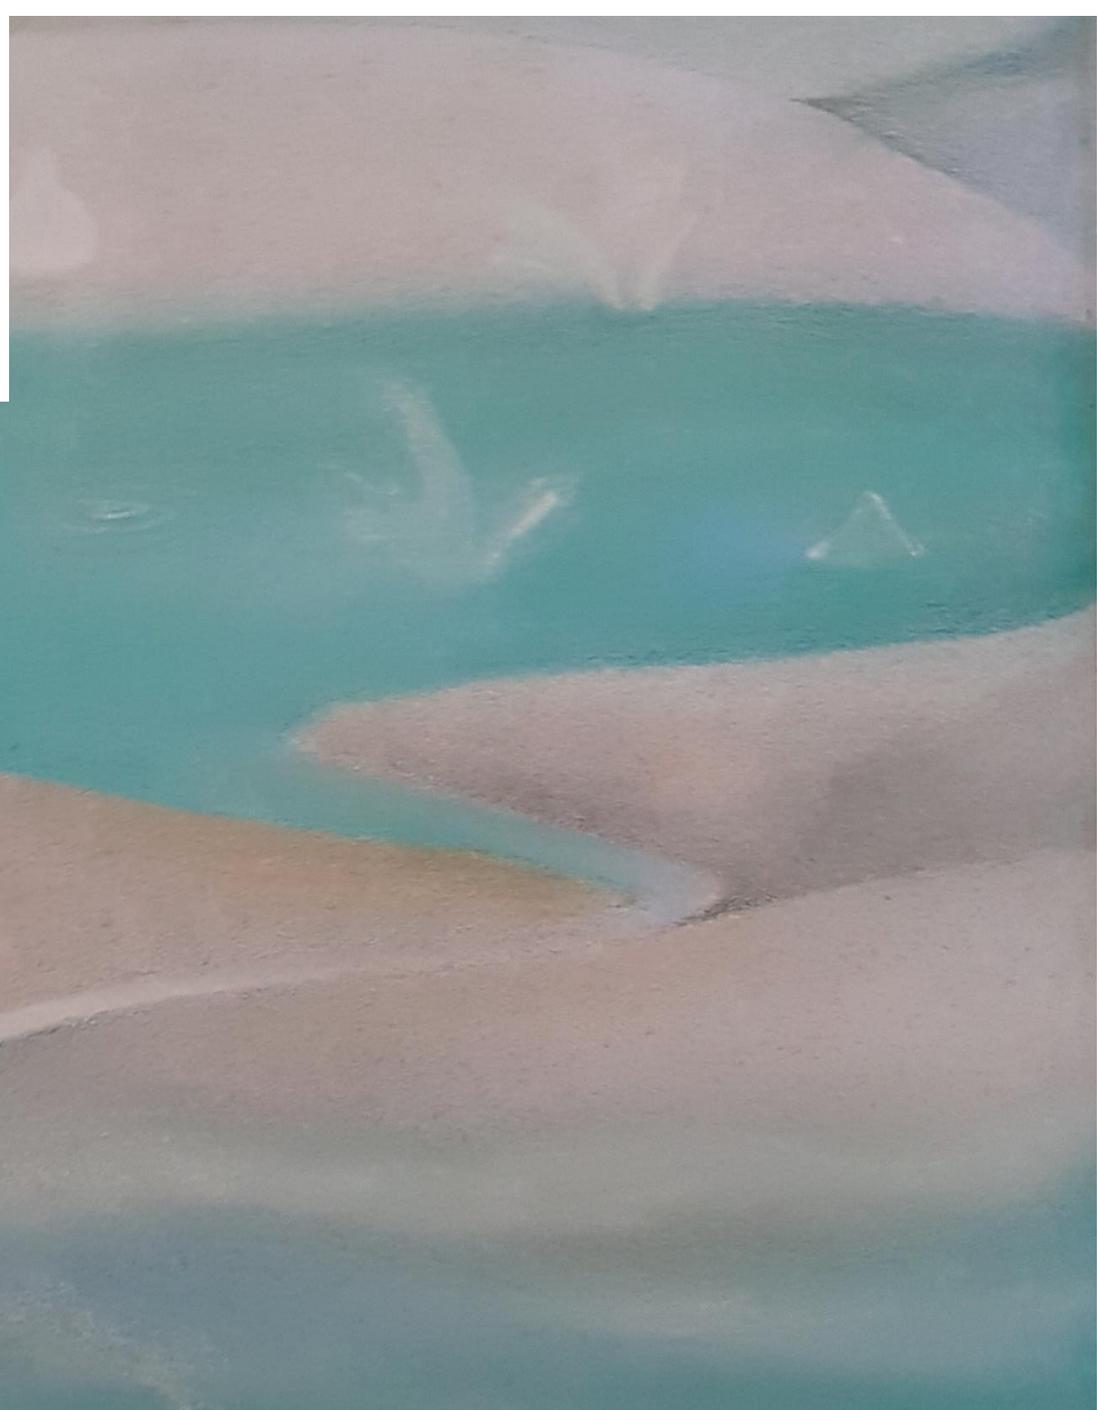

The little raindrop fell through a rainbow.

The little raindrop splashed into a

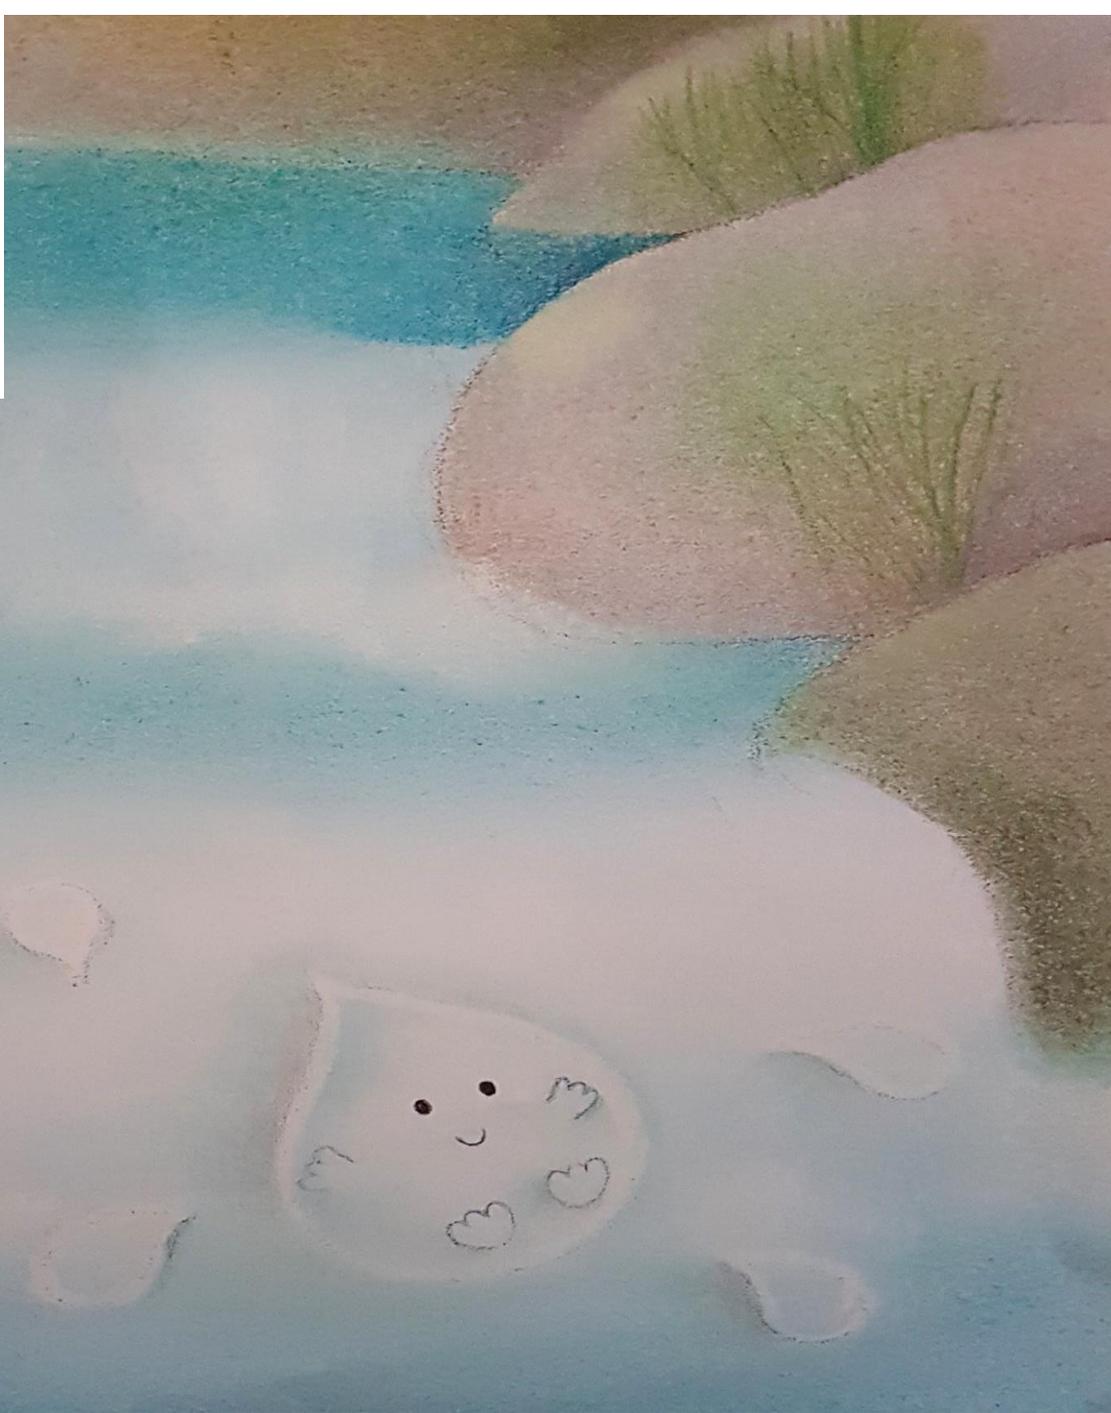

river.

The little raindrop swept down a

waterfall

The little raindrop ended up on the

beach.

The bright sun shone on the

little raindrop.

  
 It got hotter and hotter and  
  
 hotter...

  
 The little raindrop flew up to the clouds  

  
 where it was cooler to be with the  

  
 other raindrops.

  
 The raindrop was ready to fall to Earth  

  
 and begin his journey once more.
