

Communication for All How to Guide: Dropbox

Opening the Dropbox App

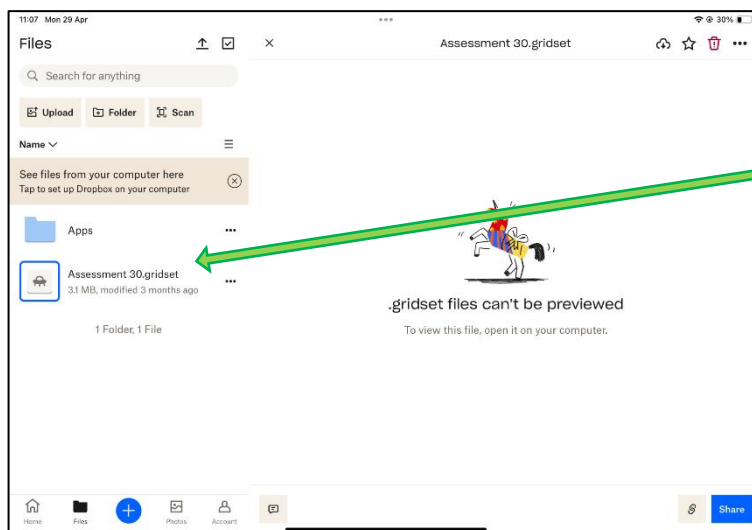

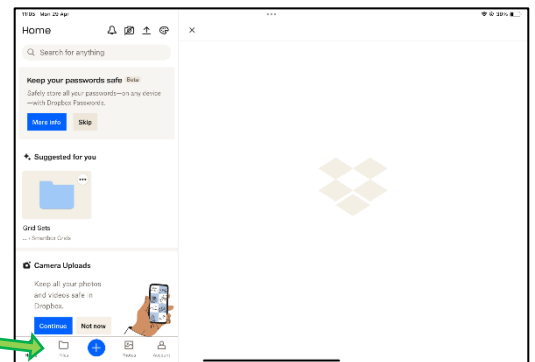

Tap the Dropbox App from the home screen on the iPad

On opening the app for the first time, you will be prompted to sign in. Please use the email address and password created during the signing over process.

Once signed in the screen will look like this. Tap on the files icon at the bottom of the screen.

Here, you can view any files saved in the Dropbox account.

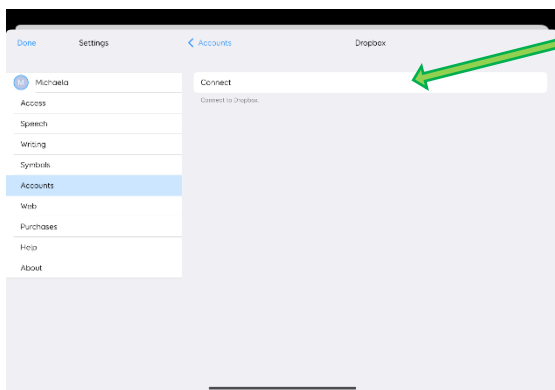

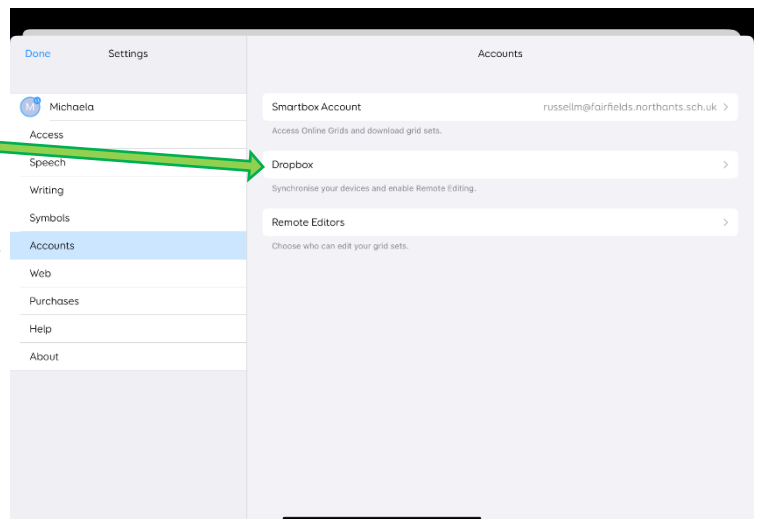

Backing up Grid for iPad to Dropbox

 Tap the Grid for iPad icon

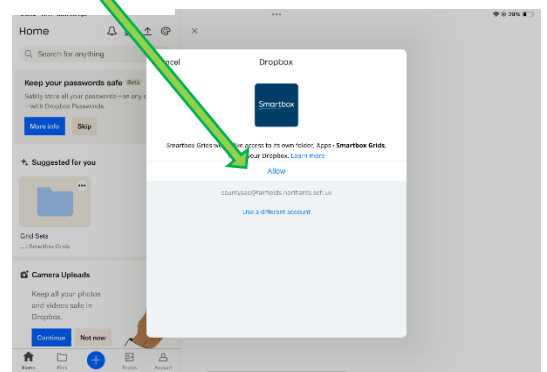

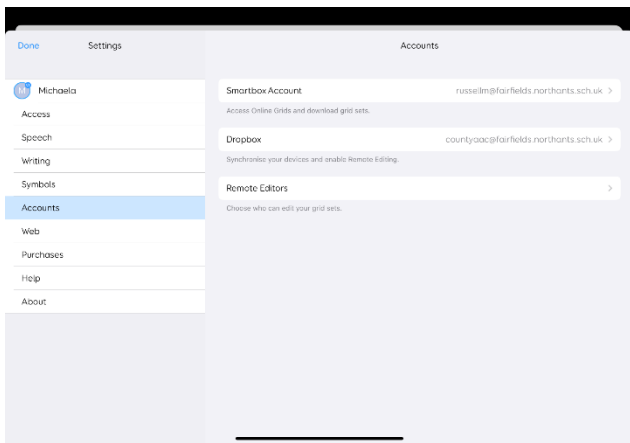

Once in the app, tap the three dots (...) in the top right corner and select Settings.

Tap Accounts and select Dropbox

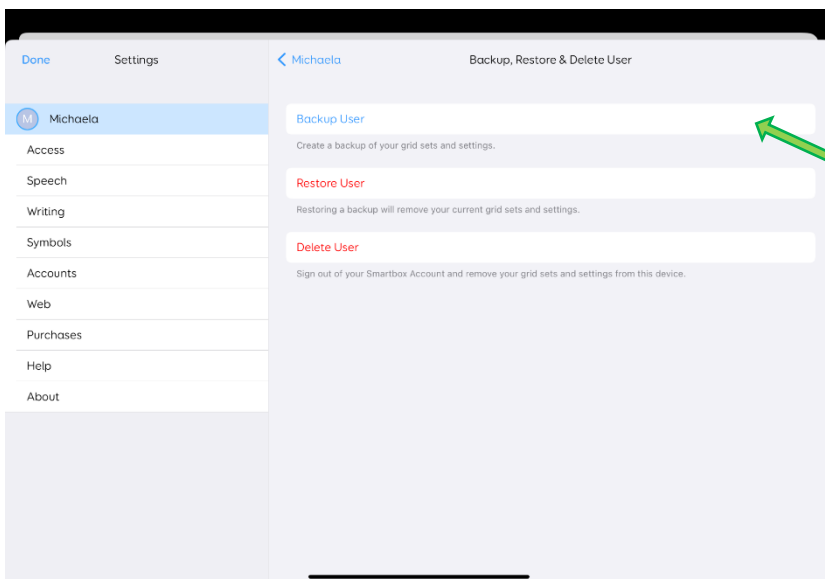

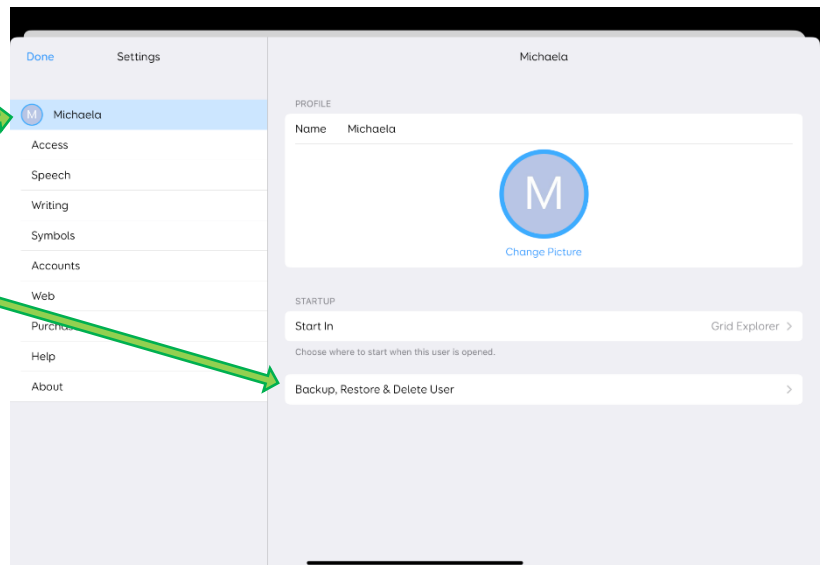

Tap Connect, then Allow

The account should now be linked to Grid for iPad.

Tap the account name then Backup, Restore & Delete User

From here, you can tap Backup User and Grid will automatically backup the current Gridset to Dropbox.

Please do this regularly to avoid any vocabulary from being lost!
