## Attendance Policy

### Introduction

Fairfields School is committed to providing all pupils with an appropriate and effective education in a safe and happy environment. We believe that education is essential for all and to achieve their full potential children need to attend school regularly and punctually. Children who are persistently late or absent soon fall behind with their learning. Children who are absent from school frequently develop large gaps in their learning which will impact on their progress. A child whose attendance drops to 90% each year will, over their time at primary school, have missed two whole terms of learning.

### Legislation and guidance

All children of compulsory school age must receive a suitable full-time education.

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

Section 7 of [The Education and Inspections Act \(1996\)](#) says parents must make sure their child is regularly attending school or 'otherwise' (i.e. another suitable alternative). [Section 444\(1\)](#) of the same Act says parents are guilty of an offence if their child doesn't regularly attend school.

The Department for Education (DfE) [statutory guidance for schools](#) (page 5) reiterates that responsibility for ensuring attendance lies with parents, including care givers or anyone with 'parental responsibility'.

### Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

### Definitions

#### *Authorised absence*

An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

Only the school can make an absence authorised. Parents / carers do not have this authority. Consequently not all absences supported by parents / carers will be classified as authorised.

#### *Unauthorised absence*

An absence is classified as unauthorised when a child is away from school without the permission of the school.

Therefore the absence is unauthorised if a child is away from school without good reason, even with the support of a parent / carer.

### School procedures

The school door opens at 8.45am until 9am. This time is sufficient for all pupils to come into their classroom.

#### Attendance register

We will keep an electronic attendance register, and place all pupils onto this register

#### Attendance– Registration Period

We keep an attendance register, and place all pupils onto this register.

- The Register is taken by 9.30am each day and pupil's attendance or absence is indicated in the register with the appropriate code
- Pupils in attendance will be marked Present with / = am or \ = pm accordingly
- The register will remain open until 10.00am.
- Therefore pupils arriving between 9.30am – 10.00am will be marked as late (Code L).
- Any pupil arriving after 10.00am will be marked absent as code U (meaning the pupil is in school but has missed the registration period).
- Any pupil arriving after 10.00am due to school transport will be marked as code L. If they are absent due to school transport it is code Y1
- The register will open at 1pm and close at 1.30pm for the afternoon session.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix A for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

#### Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as practically possible, by calling the school office team, who can be contacted via 01604714777 or [officestaff@fairfields.northants.sch.uk](mailto:officestaff@fairfields.northants.sch.uk)

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Medical evidence will only be requested where we have genuine and reasonable doubt about the authenticity of the illness. The medical evidence required could be, as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

#### Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parent can do this by phoning or emailing the school office or by notifying their class teacher.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

#### Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach the parent, they will try all of the pupil's emergency contacts.
- If we receive no correspondence by the morning of day 2 a home visit will be carried out. If unable to make contact we will consider a mash referral or contacting the police.
- Call the parent on each day that the absence continues without explanation, carry out additional home visits and call siblings settings if appropriate, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer and/or social care if they are involved with the family
  
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals e.g. open an EHA

If a child unexplained absence cannot be ascertained

If after the checks have been carried out or a child unexplained absence cannot be ascertained within 10 days, the child needs to be reported as missing from education. This is done through the form on the West Northants Council website.

#### Authorised and Unauthorised Absence

##### Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The Headteacher may only grant leave of absence for exceptional circumstances.

We define 'exceptional circumstances' as a pupils non-attendance that is deemed unavoidable and beyond the control of the student and their family. These circumstances are generally considered significant enough to justify the absence despite the usual emphasis on regular school attendance. Common examples of exceptional circumstances include but are not limited to:

1. **Serious Illness or Medical Conditions:** Extended or serious illness that requires hospitalisation or ongoing medical treatment.
2. **Family Emergencies:** Critical family issues such as a death or serious illness of a close family member.
3. **Religious Observances:** Observing a recognised ceremony or pilgrimage.

4. **Mental Health or Emotional Issues:** Situations where the student's mental health necessitates a temporary absence, often supported by a healthcare provider's recommendation.
5. **Special Family Events:** Attending a significant family event, such as a wedding, funeral, or cultural ceremony, which cannot be scheduled during school holidays and is deemed important for the child's emotional and social development.

At Fairfield's, these circumstances are considered with added sensitivity due to the unique needs of the pupils. Documentation and verification, such as medical notes or legal documents, are required to support the claim of exceptional circumstances.

From 1st September 2013 there is **NO** entitlement for parents /carers to take their child on holiday during term time. In accordance with the amendments to the Education (Pupil Registration) (England) Regulations 2006 Headteachers may not grant any leave of absence during term time unless there are **exceptional circumstances**.

Examples of where a leave of absence maybe authorised due to exceptional circumstances:

1. **Medical or Therapeutic Needs:** If a holiday is recommended as part of a medical treatment plan or therapy regimen, especially if the timing of such treatment is critical to the child's health and well-being.
2. **Family Respite:** When the family is under significant stress due to the intensive care needs of the child, and a holiday is seen as necessary respite. This is particularly relevant if it helps maintain the mental and emotional health of both the child and their caregivers. This may also involve specialist accommodation, or the availability of additional carers to support.
3. **Unique Educational Opportunities:** If the holiday includes a unique educational component that would benefit the child's learning and development, such as visiting a specialist facility, museum, or engaging in an activity that provides educational value aligned with the child's needs.
4. **Critical Family Circumstances:** When a parent or close family member is in the armed forces and home on leave, or when a family member is facing a terminal illness, and the holiday represents a final opportunity for family bonding.
5. **Therapeutic Travel:** When the holiday destination provides a specific therapeutic benefit, such as a climate that alleviates a medical condition, reduced sensory overload due to it being a quieter time of year or access to unique therapeutic services not available locally.

**Examples of circumstances NOT considered as exceptional**

- Holidays abroad for the purpose of visiting a sick relative, excepting where that person is seriously/terminally ill. Medical evidence may be requested.
- Holidays taken in term time due to lower cost/parental work commitments

The Headteacher considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via our website or the school office. (Appendix E) The headteacher may require evidence to support any request for leave of absence.

We will consider each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

In difficult family situations the Headteacher may use his/her discretion in granting leave and each case should be addressed on its individual merits, taking into account the overall welfare of the child.

Where there are exceptional and unforeseen circumstances that fall outside of the above, the Headteacher agrees to consult with the Chair of Governors prior to any authorisation being given to the parent. Evidence would be required in each case.

When considering exceptional term time leave requests, the following factors may help to reach a decision:

- Time of the academic year when the leave has been requested
- Duration of the absence – number of school days being missed
- The child's current attendance and punctuality rate
- Exceptional Term time leave requested/taken in previous academic years for a similar purpose
- Whether parent/carers have considered limiting the amount of time the child would be absent from school e.g. wrapping around school holiday
- Have alternative care arrangements been considered by the parent/carer to limit the time away from school

- Impact on any interventions, assessments or referrals being undertaken with the child or family e.g. family support, social care assessments, CAMHS, SEN
- The impact that the absence will have on the child.

Approval for extended holidays abroad, in the family's home country will only be considered in exceptional circumstances. If consent is given it will be for a maximum of 6 weeks with an agreed return date. If the pupil fails to attend after this period, this absence will be recorded as unauthorised and will be referred to the education and inclusion Partnership Team at the Local Authority. If deemed necessary, Welfare calls/emails will be carried out during this period of absence.

If a Headteacher grants a leave request, it will be for the Headteacher to determine the length of time that the child can be away from school. Leave is unlikely, however, to be granted for the purposes of a family holiday as a norm.

Parents/carers should contact the school directly if they feel there are exceptional circumstances that warrant taking their child out of school during term time.

If leave from school during term time is granted the Headteacher will determine the number of days that the child can be away from school and the parent will be informed in writing.

If the pupil has attendance of 95% or higher, the absence due to exceptional circumstances will be authorised. If the pupil's attendance is below 95% this absence will be classed as unauthorised but a referral for a fixed penalty notice will not be made unless the pupil is classed as persistently absent.

Parents/carers should be aware that if they take their child on holiday in term time without the authorisation of the Headteacher they may be issued with a **FIXED PENALTY NOTICE**.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Where a child is unable to attend school due to possible emotional behavioural school avoidance (EBSA) or has flexi-schooling arrangements in place with the Local Authority regular welfare checks will be carried out e.g. weekly, either through a teams call or a home visit. The number of visits will be determined by the circumstances.

### Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

### Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice is classed as a minor offence and is not a criminal offence. However if you do not pay the fine, you may be prosecuted.

### Considerations for pupils with SEND

Some pupils face greater barriers to attendance than their peers. All pupils have the right to an education so the attendance ambition is the same for all pupils. Due to the complex needs of our pupils, we will be mindful of the attendance challenges they may face and put in additional support where necessary to help them access their full-time education.

Where pupils have a long term illness or health needs, a health care plan will be put in place to additional support can be given so they are able to continue their education.

Once it is clear that a pupil will be away from school for 15 days or more because of their health needs, the named officer who is responsible for the education of children with health needs at the Local Authority will be contacted so suitable alternative provision can be arranged. The 15 days may be consecutive or over the course of a school year.

Where a pupil has a significant barrier to their attendance due to their Special Education Need, the EHC Team at the Local Authority will be informed of this.

### Pupil returning to school after a lengthy or unavoidable period of absence

As a school we understand that when a pupil has been absent from school for a significant amount of time e.g. a long hospital stay due to illness or medical procedure, they may find this transition difficult. In these circumstances a reduced timetable maybe deemed appropriate. A reduced timetable may also be put in place if a child's behaviour has changed or escalated and they are becoming unsafe in school. This decision would be in line with our behaviour policy. As a maintained school, we follow the Local Authorities approach to reduced timetables. If a reduced timetable is required their West Northants Council paperwork will be completed, signed by the parent and school and submitted to the SASO – Appendix F

#### Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels. If the child has good attendance, the parents will be thanked at the end of each half term. The attendance report will be sent home to all parents with the annual report at the end of the academic year. Attendance will also be discussed at Annual Review meetings.

#### Attendance Monitoring

Fairfields monitors attendance and absence data (including punctuality) half-termly, and yearly across the school and at an individual pupil, and whole school level. We recognise that data may have 'outliers' which are unusual values due to longer term absence or patterns of absence. These may be caused by EYFS phased entry, pupils on reduced timetables, pupils on long term absence due to hospital admissions or class or school closure. In addition to whole data being analysed, the data will also be analysed with these outliers removed, to give an additional picture of the attendance across school.

It is mandatory that specific pupil information will be shared with the DfE. Fairfields has granted the DfE access to its management information system so the data can be accessed regularly and securely.

The school will benchmark its attendance whole school data against national levels to identify areas of focus for improvement, and share this with the governing body.

#### Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

#### Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teacher to facilitate discussions with pupils and families, and to the governing board and school leaders
- Share information and work collaboratively with local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

#### Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

Commented [CC1]: Really good to include this.

Commented [CC2]: Is this statutory? If so, do we need to make this clear?

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see above)

Our procedures are as follows:

As a school we have a responsibility to monitor children's attendance in school and respond when pupils are persistently absent. At Fairfields we want to have a partnership with our parents and do this in a supportive way. Fairfields School takes due regard to absences in respect of medical conditions or reasonable explained absences and in these cases the situation will be monitored.

Long term absentees may find returning to school difficult. For some pupils a personalised reintegration plan may be needed.

If a pupil has had good attendance (95% and above) a message will be sent home to the parents thanking them for ensuring their child comes to school regularly, using the ParentApp. This will be done at the end of each half term.

Pupil attendance will be reviewed fortnightly with any concerns being brought to the Headteacher or to a DSL meeting. Concerns may include:

- *8 or more days authorised absence in a two week period (persistently absence)*
- *3 or more days of unauthorised absence in a two week period*
- *Where there is a regular pattern of absence over a longer period (four weeks/half term)*
- *No improvement has been made after attendance discussions*
- *Concerns around the reasons given for pupil absence*
- *The teacher has recorded pupil attendance as a safeguarding concern*

Informal stage: The class teacher will phone the family and enquire about the child in a supportive way. They will raise their initial concern and then offer any support. If the child is absent when the call is made, the teacher will also find out when the pupil is due to return to school. (Appendix B)

5 Stage Formal model (either documented on monitoring spreadsheet or using form on Appendix C) to respond when pupils are persistently absence from school.

Stage 1: Telephone call home (Family Support Worker)

Stage 2: Letter home (Family Support Worker/Headteacher)

Stage 3: Parent Meeting where an attendance success plan is set up (Headteacher)

During this meeting it is important to be supportive and unpick the barriers to the child's absence. A plan can then be put in place.

An Early Help Assessment maybe required at this point of the process.

Stage 4: Parent Meeting where the attendance success plan is reviewed and closed or a Notice to improve is issued (Headteacher)

Stage 5: Advise of a discussion with the Local Authority which may result in a Fixed Penalty Notice being issued (Headteacher)

**Local Authority's School Attendance Support Team**

West Northamptonshire Council have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance.

There role is to:

- Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice.
- Offer opportunities for all schools in the area to share effective practice.
- Hold a termly conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so.
- Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance.
  - If the issue persists, facilitate a voluntary early help assessment where appropriate. Take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner where all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.
- Work jointly with the school to provide formal support options including parenting contracts and education supervision orders.
- Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners.
- Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

    - The school's legal requirements for keeping registers
    - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
  - Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
  - Holding the headteacher to account for the implementation of this policy
- The Excellence and Enjoyment Committee have responsibility for monitoring pupil attendance.

#### Equal Opportunities:

We are firmly committed to the principles of equal opportunities. We believe that all pupils are entitled to learning experiences, which will enable them to achieve their potential and enrich their lives. We place great value on diversity and treat every member of the school as an individual. This means we value equally the unique qualities of each individual.

#### Monitoring

We need consistent attendance management throughout the school. In addition to the above monitoring tasks school Governors monitor attendance during full Governing Body meetings and Excellence and Enjoyment sub-committee meetings.

## Letter 1: Ongoing absence

Dear

I am writing to express my concern over the number of occasions that .....has been absent from school. I attach for your child's registration certificate indicating the sessions ....was absent.

Parents have a 'legal duty' to ensure their child attends school. Every single day a child is absent from school is a day of lost learning. Sometimes attendance percentages can be misleading. The chart below converts these into number of days missed across the year.

We know that you can have a significant effect on {Pupil Name} absences this academic year and we would really appreciate your help and support ensuring that {Pupil Name} comes to school every day so that they can get the best possible outcomes. We want to work with you to achieve this – please call or come in and meet {Pupil Name}'s class teacher, key stage leader or our family support worker if there is anything we can do to support you or your child. We appreciate that every family's situation is unique.

I am sure that you share my concern and would wish to work with us to improve ..... 's attendance.

Yours sincerely

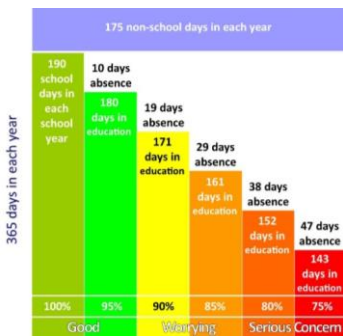

Headteacher

**Letter 2: No improvement**

Dear  
Re: .....

Despite previous attempts to advise you, I note with concern there has been no significant improvement in your child’s attendance at school.

.....’s attendance is currently ...% This will have an impact on your child’s education which we cannot ignore.

Parents have a ‘legal duty’ to ensure their child attends school. Every single day a child is absent from school is a day of lost learning. We understand that sometimes attendance percentages can be misleading. The chart below converts these into number of days missed across the year.

As there has been no improvement in .....’s attendance, I must advise you that further absences as a result of illness will require medical evidence. If this is not provided, further absences will be unauthorised.

I am inviting you to attend a School Attendance meeting. The time and date have been set for ..... at.....It is important that you and .....attend this meeting for us to talk about the issues around poor attendance.

If this appointment is inconvenient, I would be grateful if you could contact me as soon as possible so that a mutually convenient time can be arranged.

If you do not attend this meeting and the absence continues to deteriorate, a referral may be made to the School Attendance Support Team, which could lead to the issuing of a fixed penalty notice.

Yours sincerely

Headteacher
